

Jehovah Jireh

He Is Who Provides

Bill McMurdo

In the Mount of Yahweh it shall be seen...

YHWH SEES AND PROVIDES

And it came to pass after these things, that God did tempt Abraham, and said unto him, Abraham: and he said, Behold, here I am.

And he said, Take now thy son, thine only son Isaac, whom thou lovest, and get thee into the land of Moriah; and offer him there for a burnt offering upon one of the mountains which I will tell thee of.

And Abraham rose up early in the morning, and saddled his ass, and took two of his young men with him, and Isaac his son, and clave the wood for the burnt offering, and rose up, and went unto the place of which God had told him.

Then on the third day Abraham lifted up his eyes, and saw the place afar off.

And Abraham said unto his young men, Abide ye here with the ass; and I and the lad will go yonder and worship, and come again to you.

And Abraham took the wood of the burnt offering, and laid it upon Isaac his son; and he took the fire in his hand, and a knife; and they went both of them together.

And Isaac spake unto Abraham his father, and said, My father: and he said, Here am I, my son.

And he said, Behold the fire and the wood: but where is the lamb for a burnt offering?

And Abraham said, My son, God will provide himself a lamb for a burnt offering: so they went both of them together.

And they came to the place which God had told him of; and Abraham built an altar there, and laid the wood in order, and bound Isaac his son,

**and laid him on the altar upon the wood.
And Abraham stretched forth his hand, and took
the knife to slay his son.
And the angel of YHWH called unto him out of
heaven, and said, Abraham, Abraham: and he
said, Here am I.
And he said, Lay not thine hand upon the lad,
neither do thou any thing unto him: for now I
know that thou fearest God, seeing thou hast not
withheld thy son, thine only son from me.
And Abraham lifted up his eyes, and looked, and
behold behind him a ram caught in a thicket by
his horns: and Abraham went and took the ram,
and offered him up for a burnt offering in the
stead of his son.
And Abraham called the name of that place
Jehovahjireh: as it is said to this day, In the
mount of YHWH it shall be seen.
And the angel of YHWH called unto Abraham out
of heaven the second time,
And said, By myself have I sworn, saith YHWH,
for because thou hast done this thing, and hast
not withheld thy son, thine only son:
That in blessing I will bless thee, and in
multiplying I will multiply thy seed as the stars of
the heaven, and as the sand which is upon the sea
shore; and thy seed shall possess the gate of his
enemies;
And in thy seed shall all the nations of the earth
be blessed; because thou hast obeyed my voice.
GENESIS 22:1-18**

We see here that provision and seeing are closely linked.

Jehovah-Jireh means both that “Jehovah sees” and that “Jehovah provides.”

The word “provision” itself shows us this. It is a compound word of the Greek *pro* meaning before and the Latin *visus*, which is the past participle of *videre* - to see.

The Lord sees our needs beforehand and provides us with them.

For our part, we must learn to see the provision of God with the eyes of faith. We must see God’s supply in our inner man before we see it in outward manifestation.

Abraham looked up and saw a ram caught in a thicket. As he looked at the ram, he also saw far into the future and understood that, just as he had offered up his son Isaac in a type, so one day God would provide His Son as the Lamb of God. As Jesus said, “Your father Abraham rejoiced to see my day: and he saw it, and was glad.” (John 8:56)

Abraham saw the provision of God long before Jesus was crucified. He saw that God would provide an answer for the problems afflicting mankind. He also saw that Jesus being offered was the key to his own covenant with God being fulfilled.

We must see this too. We must see that Jesus being nailed to the cross is the answer to our situation, that it is the guarantee of provision for

every need in our lives - healing, salvation, deliverance, guidance, protection and provision.

When we say *Jehovah-Jireh* we are affirming that our God sees every need we have and has made provision for those needs.

Now faith is the substance of things hoped for, the evidence of things not seen.

HEBREWS 11:1

Faith is the substance of the provision we seek. It is the evidence of invisible things, i.e. things not seen by our physical eyes but with the eye of faith.

The Greek word for substance is *hupostasis* and it means the real essence of something. It is literally an invisible (to your physical eye) substance, a heavenly materiality. As WE Vine says of *hupostasis*, "the word has the meaning of the real nature of that to which reference is made in contrast to the outward manifestation."

What you see outwardly is not the real thing. We see people all the time but what we see is the outward man; we do not see the inner man of the heart, which is the human spirit. This is the real man.

Likewise, we may see healing manifest in someone but the real nature of healing is invisible. The same with provision. You might see

money manifesting in your bank account but the real nature of increase and prosperity is invisible.

The spiritual person apprehends the great truth of this: that the thing you can't see is more real than the thing you can.

Invisible supply is inexhaustible and cannot be eroded by time, inflation, rust and theft. Here on this earth, however, you can lose stuff.

You can lose your healing and yesterday's manna is no good today. But the good news is, if you are in touch with the Infinite Source of all supply, you need never be in lack.

That Infinite Source is Jehovah-Jireh.

The writer to the Hebrews says it like this:

For ye had compassion of me in my bonds, and took joyfully the spoiling of your goods, knowing in yourselves that ye have in heaven a better and an enduring substance.

HEBREWS 10:34

These people had been plundered but took it joyfully because the manifest supply was gone but the Infinite Source was still there! Jehovah-Jireh was still on the Throne!

Once something goes from the invisible realm into the seen realm, it becomes subject to change. God might have given you a new car ten years

ago but today it will not be the same shiny new car it was then. What you need is a Jehovah-Jireh model today!

This temporal realm is subject to change. That is why you get fatter and your hair turns grey. Your body is subject to change in this realm. Your celestial or resurrection body will never decay, get sick, grow old or die. And it won't get fat either. That is because that body is clothed from above, from the realm yet invisible.

All your supply comes from that realm. Of course, God isn't building cars in heaven and shipping them down here. What I mean is, God is your Source of all supply. If you lose something down here or need more, God will supply according to His riches in THAT realm, not this one.

All you have to do is see this invisible supply.

Of course, your physical eyes will not be able to peer into the glory unless God gives you a supernatural vision.

You will have to see with the eyes of the inner man.

**The eyes of your understanding being enlightened; that ye may know what is the hope of his calling, and what the riches of the glory of his inheritance in the saints,
EPHESIANS 1:18**

Right now your inner man, which is the real you, has a need to see invisible realities. One of these realities is that you are just like Jesus – so much so you are a mirror image of Him. Now you might not feel like this is so and both the devil and religion will tell you it is very prideful of you to even think this way.

But the Word of God says that if you could see yourself, then you would be just like Him!

Beloved, now we are children of God; and it has not yet been revealed what we shall be, but we know that when He is revealed, we shall be like Him, for we shall see Him as He is.

I JOHN 3:2 NKJV

When the real you is revealed i.e. the inner you, then you will be just like Him! Note that this is because we shall see Him as He is. You might expect Scripture to say it the other way around – that when He is revealed, we shall be like Him for He shall see us as we really are.

However, the Apostle John understood a vital truth – that it is the revelation of Christ as He is that shows us who we really are. Here on this earth, we are as He is in heavenly realms (I John 4:17).

WE are the ones who are present. WE are the ones manifesting Jesus to the world. WE are His physical Body on earth. As He is, so are WE on this earth.

DEVELOPING JEHOVAH-JIREH CONSCIOUSNESS

Consciousness is everything and manifestation comes from consciousness.

You will always manifest what you are walking in consciousness of.

Consciousness comes from three things - what you see, what you hear and what you speak.

But as it is written:

Eye has not seen, nor ear heard,

Nor have entered into the heart of man

The things which God has prepared for those who love Him.”[[]

But God has revealed them to us through His Spirit. For the Spirit searches all things, yes, the deep things of God.

For what man knows the things of a man except the spirit of the man which is in him? Even so no one knows the things of God except the Spirit of God.

Now we have received, not the spirit of the world, but the Spirit who is from God, that we might know the things that have been freely given to us by God.

These things we also speak, not in words which man’s wisdom teaches but which the Holy Spirit teaches, comparing spiritual things with spiritual.

1 CORINTHIANS 2: 9-13 NKJV

The natural man knows nothing of these things. They are not things you can see with your natural eyes and they haven't entered the thinking of the natural mind. And you won't hear about these things on the mainstream radio or on television.

These things are spiritual; they exist in the glory realm, where you cannot see them with natural eyesight.

It is in this glory realm that Jehovah-Jireh is to be found, the One with all the answers to your every need.

You have to SEE the invisible supply in the glory. You have to SPEAK this supply. And you have to HEAR about this supply.

You SEE the supply with the eyes of your inner man.

You SPEAK the supply by affirming Jehovah is your Provider and what He says in His Word about provision and supply.

And as you HEAR this, the substance of this supply develops inside you and then seeks manifestation.

Faith is the substance of supply.

So then faith comes by hearing, and hearing by the word of God.

ROMANS 10:17 NKJV

The heavenly substance which is more real than the manifestation it brings comes by HEARING God's Word on supply.

In fact, the word "comes" is not actually there in the Greek, which means the Word IS the very substance of supply.

When you see what God's Word says about His provision, then you must speak that Word and hear yourself speaking it.

This process is called Bible Meditation. It is the key to success and constant supply in life.

Bible Meditation is the process whereby you develop consciousness in YHWH as Provider.

Substance develops also when you hear the Word on supply from others e.g. someone teaching and preaching on YHWH providing.

We have seen that provision is a compound of the Greek *pro* meaning before and the Latin word for seeing. God sees our need and supplies it. We see the supply by faith and affirm it.

We can also understand provision as a compound of two Latin words - *pro* meaning "in support of" or "in the place of" and the Latin word for seeing.

Faith is the substance of things we hope for. The Greek word "substance" is *hupostasis*, meaning

that which stands under visible things i.e the real essence underpinning what is manifest.

When we are in faith for something we do not have the thing we desire in manifest form but we have faith as assurance and confidence that the manifestation is at hand. Faith supports us until that manifestation. It is a comfort to us and a calm assurance for us.

Before we see the manifestation, we are assured it is on its way. The promise is a reassuring substitute for the manifestation until manifestation actually takes place.

By promise I don't mean that God will do something but that He has done something already. The promise of faith is the assurance that God has seen and provided, not that He will do so.

Your Father knows you have needs, said Jesus. Nobody ever caught God by surprise with a desperate need.

We are not actually seeking God to supply; that is not our focus. Rather, we must see that He has already supplied. Manifestation of that supply is our focus, not God answering prayer. Jesus said we must believe we receive when we pray. Manifestation is not the answer to our prayer - a receiving in faith is.

Faith is believing God hears us and receiving our request before we see it manifest.

Many complain of unanswered prayer but there is no such thing. There is a great deal of prayer that is not yet manifest. This is because the God we serve is Jehovah-Jireh, not Jehovah Might Jireh.

All the promises of God are Yes and Amen in Christ. There is no maybe.

To walk in this you must embrace the paradox of it being both a scientific law and also the fruit of an intimate relationship with YHWH Who Provides.

YHWH WILL SEE TO IT

In that day YHWH with his sore and great and strong sword shall punish leviathan the piercing serpent, even leviathan that crooked serpent; and he shall slay the dragon that is in the sea.

ISAIAH 27:1

The leviathan is that which attaches itself to something or someone and causes its victim to borrow. It is the world banking system, the debt economy we all live under. It is Mystery, Babylon – the mammon economy.

Those who live under mammon must see money, they must be able to see visible means of supply. Saved or unsaved, they are gripped by fear if they cannot see where their supply is coming from.

These people do not see with the eye of faith so they do not see into the glory where the invisible supply is.

It's interesting that just before Jesus spoke about serving God or mammon, He spoke about the importance of seeing with the inner man:

The light of the body is the eye: if therefore thine eye be single, thy whole body shall be full of light. But if thine eye be evil, thy whole body shall be full of darkness. If therefore the light that is in thee be darkness, how great is that darkness! No man can serve two masters: for either he will hate the one, and love the other; or else he will

hold to the one, and despise the other. Ye cannot serve God and mammon.

Therefore I say unto you, Take no thought for your life, what ye shall eat, or what ye shall drink; nor yet for your body, what ye shall put on. Is not the life more than meat, and the body than raiment?

Behold the fowls of the air: for they sow not, neither do they reap, nor gather into barns; yet your heavenly Father feedeth them. Are ye not much better than they?

Which of you by taking thought can add one cubit unto his stature?

And why take ye thought for raiment? Consider the lilies of the field, how they grow; they toil not, neither do they spin:

And yet I say unto you, That even Solomon in all his glory was not arrayed like one of these.

Wherefore, if God so clothe the grass of the field, which to day is, and to morrow is cast into the oven, shall he not much more clothe you, O ye of little faith?

Therefore take no thought, saying, What shall we eat? or, What shall we drink? or, Wherewithal shall we be clothed?

(For after all these things do the Gentiles seek:) for your heavenly Father knoweth that ye have need of all these things.

But seek ye first the kingdom of God, and his righteousness; and all these things shall be added unto you.

MATTHEW 6:22-33

What you flood your consciousness with determines whether you will serve God or

mammon. This is not about whether you are born again or not – it is about who you serve on a daily basis.

You can be a fervent Christian but an effective servant of mammon.

To be full of fear and worry concerning supply is to serve mammon. Sadly, many Christians are in this category. This is why they have to be told to escape the Babylon system (see Revelation 18:4).

If you cannot see Jehovah-Jireh or the supply He gives, then you will be full of fear and darkness.

The only antidote is to flood your spirit and mind with God's Word on supply i.e. to develop consciousness in Jehovah as Provider.

God is looking for a people who have paid the price to live in rest i.e. free of mammon's clutches. That price is intensive labour in the Word.

The principality known as Baal was worshipped in ancient times as a counterfeit Jehovah. The reason for this was that Baal was regarded as a provider god.

The danger for the ancient Israelites was the same danger faced by God's people today – that is, the peril of falling into the service of a false god. Mammon is a cruel master.

To live free from mammon, you must live free from fear and worry and be diligent in trusting YHWH as your Provider.

It is all about what you focus on.

If your eye is single i.e. purely focused on the Lord, then your whole body will be full of light. This means that if you focus on what is edifying, you won't need to worry about what is defiling.

Jesus said, "Take no thought, SAYING..." In other words, do not flood your consciousness with fear thoughts that will only manifest lack in your life. Don't SPEAK negativity and poverty. SPEAK what Jehovah-Jireh says. He is Jehovah-Jireh, not Jehovah Giro.

Remember that you walk in what you are conscious of and what you are conscious of depends on what you SPEAK.

The piercing serpent in Isaiah 27:1 is Mammon, the beast out of the sea. It symbolizes the world system. The Hebrew word for "serpent" can mean to enchant and has the meaning also of "to diligently observe."

We see this in the eye on dollar bills and in the way that we are all scrutinized by the banking system, which runs both the economy and the political system. In other words, what we call Big Brother.

You see, satan has to counterfeit God and His system. *Jehovah Jireh* means YHWH sees i.e. He observes us, sees our need and provides.

What YOU observe and focus on is vitally important. Are you looking at the things of this world and its system and seeing lack, poverty and debt?

Or are you gazing at God's Word and seeing JEHOVAH JIREH and the supply He provides?

We see that focus is everything.

Focus determines consciousness. Consciousness determines manifestation.

What you will see around you in the future is what you are focusing on and looking at now. If you look upon the invisible things in the glory realm with the eyes of your inner man, you will see those things manifest in the physical dimension in your life.

Those things are found within Holy Scripture. Saturating your thinking with these things and speaking them out of your mouth will cause them to manifest in the physical universe.

By so doing you are saturating yourself with Jehovah-Jireh consciousness.

You see, whatever you need, He has provided. You are not trying to get your need met. He has

already provided it i.e. He has seen the need and met it.

Faith for provision is not believing that God will do something but that He has already done something.

To function in this Jehovah-Jireh consciousness you must step out of time and into eternity, the eternal NOW, In that place, all your needs have been met beforehand.

As Romans chapter 10 says, you are not trying to get Jesus to come out of heaven and meet your need like He did the woman with the issue of blood or blind Bartimaeus.

You don't need Jesus to come to your home town as He did back then. That Jesus was the Incarnate Son in His earthly ministry. It would have been great to have Jesus lay hands on you but He was localized and only on earth for a short time.

The Jesus you and I know today is seated at the right hand of Majesty on high. He is the Jesus THIS side of the cross and it was on that cross that all our needs were met,

That's what Abraham saw - the Lamb provided by God to take care of all our needs.

Now, to have our needs met, we simply speak the Word and decree that our need is met. That is the Word of Faith, with which we speak.

But the righteousness of faith speaks in this manner, Do not say in your heart, Who will ascend into Heaven? (that is, to bring Christ down)

or, Who will descend into the abyss? (that is, to bring Christ up from the dead).

But what does it say? The Word is near you, in your mouth and in your heart (that is, the Word of Faith which we preach):

ROMANS 10:6-8 VW

All you need is that Word.

It was on the cross of Calvary that Jehovah Jireh met all of our needs through His Son. There the Divine Exchange took place - His Life for our death; His glory for our shame; His Light for our darkness; His healing and health for our sickness; His riches for our poverty and destitution.

It was on the cross that God truly became our Jehovah Jireh, the One Who provides for us.

You have to understand that provision, supply and prosperity are all settled issues.

Speaking the Word means to declare what God has done. This brings consciousness and subsequent manifestation.

We could say it like this: What God saw you need, He provided for.

When YOU see a need, you must see He has provided it.

The problem is, when we encounter a need, we try to get the Lord to provide it. This includes trying to justify why we should. So often we try to earn our provision. Much fasting and prayer is trying to earn brownie points with the Lord so that He will give us our heart's desire.

But the Lord is trying to show us that provision – like everything else – comes by His favour. We cannot earn it.

**And God is able to make all grace abound to you, that you, always having all sufficiency in everything, may abound to every good work.
2 CORINTHIANS 9:8 NHEBSYE**

As favour abounds to us, so we have sufficiency in all things i.e. our needs are manifestly supplied.

Supply comes by the favour of God, just like salvation.

We are saved by grace (Ephesians 2:8).

Note, though, that this grace (unmerited favour) comes through faith i.e. consciousness.

You will experience salvation and deliverance in the financial realm by God's free, unmerited favour just as you did in the heart realm.

Your part is to supply the faith and you do this by tanking up on His Word concerning supply.

That Word contains the real essence, the spiritual reality of the thing you desire.

**For as the rain comes down and the snow from the sky, and doesn't return there, but waters the earth, and makes it bring forth and bud, and gives seed to the sower and bread to the eater; so shall my word be that goes forth out of my mouth: it shall not return to me void, but it shall accomplish that which I please, and it shall prosper in the thing I sent it to do.
ISAIAH 55:10,11 NHEBSYE**

Note that the Word waters the earth and makes it bring forth and bud. The earth, of course, is the soil, which we know to be the heart of man.

God's Word in your heart will cause your heart to act as a manifesting agent.

Jesus spoke of the Word as being a seed (see Mark chapter 4).

So we must plant the seed of what we desire by speaking God's Word and then water that seed by continually speaking that Word till the seed becomes a bud i.e. until the manifestation takes place.

It's all about the Word.

Man is to live by the Word that comes from the mouth of Jehovah Jireh.

In the beginning was Jehovah Jireh.

Before you and I were ever born, before the world itself existed, Jehovah saw all we would ever need and provided it.

YHWH THE MULTIPLIER

Heaven's economy is run by the multiplication principle.

YHWH is a multiplier. He multiplies your silver and gold. He multiplies all that you have (see Deuteronomy 8:13).

In the banking system of Mammon, when you give the bank your money, it divides it before it returns it to you,

For example, if you give the bank £1,000 of your money, the bank will give you 1% interest - a whopping £10. They might tax it first, so you actually get less than that..

But in heaven's banking system, if you give the Bank of Jehovah Jireh £1,000, you can expect God to multiply it back to you thirty, sixty or a hundredfold!!

Your £1,000 can become £30,000 or £60,000 or £100,000!!

Of course, there is a powerful argument that Jesus' mention of returns of 30,60 and 100 fold return is not about those specific multipliers but just His illustrating that there can be varying levels of multiplication.

I myself have seen my money multiplied much more than 100 times.

God is a multiplying God.

We see that everywhere we look in the plant and animal kingdoms. We see it in the human race.

Seeds are the proof that God is a God of multiplication.

That is why the Mammon system sucks so much – it is actually going against the created order of things. Seeds are meant to multiply, not be divided.

If you think that it is a bit much for a bank to return your money multiplied to you, then it shows how much Mammon has entrenched itself in your thinking.

Make no mistake, the bank has no trouble multiplying your £1,000 – it just doesn't want you sharing in the massive returns it makes!

Whatever is banked in heaven is multiplied. That is why you must be intentional and specific in your giving. If you “chuck it in the bucket” then stop doing that and start treating your giving as deposits in the Bank of Jehovah Jireh.

Now may he who supplies seed to the sower and bread for food, supply and multiply your seed for sowing, and increase the fruits of your righteousness;

2 CORINTHIANS 9:10 WEB

This verse brings out a deeper truth of divine multiplication and that is that multiplication in God's economy is exponential.

As Christians we are used to the concept of the Lord multiplying our sown seed but this verse makes it clear that God multiplies our seed FOR SOWING.

The NIV puts it like this:

Now he who supplies seed to the sower and bread for food will also supply and increase your store of seed and will enlarge the harvest of your righteousness.

2 CORINTHIANS 9:10 NIV

Do you see what this means? God multiplies our seed before we sow it!!!

Harvest is about multiplied seed but this is not for believers only. Many who don't believe operate the principles of seedtime and harvest with impressive results.

For too long we have believed that harvest was where God meets our needs and gives us an advantage over the unbelieving.

This is not so and it is time we stopped believing this guff.

God is Jehovah Jireh to you not just in the harvest but in multiplication of seed for sowing!!

I have heard good stuff from Andrew Hemstrought trying to preach into this aspect of the 30,60,100 fold being exponential and not just a simple x times principle.

Exponential multiplication has multiplication built-in as a constant principle. It can be understood as “constantly multiplying.”

You can see it in the stories where Jesus fed the multitudes. Bread and fish kept on multiplying to meet the need of the vast crowds - with a surplus left over.

Jehovah Jireh operates by the principle of exponential multiplication.

The parables of the stewards teach us that we are also meant to multiply the resources entrusted to us.

God expects us to steward our resources and return them multiplied to Him.

Multiplication is to be our lifestyle.

YOUR INFINITE SOURCE OF SUPPLY

**Yes, the Almighty will be your gold
And your precious silver;
JOB 22:25 NKJV**

Man's biggest mistake is to make money his god.
Yet God will be money to you!

Just as God gives us salvation but He is so much more – He is our Saviour – so He wants to be more to us.

We might need healing and the Lord is more than willing to heal us. However, there is a special place where we know Him as our Healer.

In short, God wants to get personal with us when He meets our needs. He is not a distant Deity but the One who comes to us and manifests of Himself to us.

Meeting our needs is where God reveals Himself – demonstrating His love and care for us.

I like the Names of God Bible version of this verse:-

**then *Shadday* will become your gold
and your large supply of silver.
JOB 22:25 NOG Bible**

This is very close to the real Hebrew meaning which means piles of silver.

As we grow in consciousness of Shaddai, which means the Almighty or He Who is more than enough, the larger this pile grows in terms of manifestation.

It is not a static thing, nor is it meant to be.

As we have seen, we are to be multipliers of the resources given to us.

This is brought out in this fascinating verse:-

After these things the word of YHWH came to Abram in a vision, saying, "Do not be afraid, Abram. I am your shield, your exceedingly great reward."

GENESIS 15:1 NHEBSYE

The literal meaning of the last phrase is:

"I am your shield, your RAPIDLY-INCREASING MONEY SUPPLY."

In other words, God is our Source of exponentially-multiplied money.

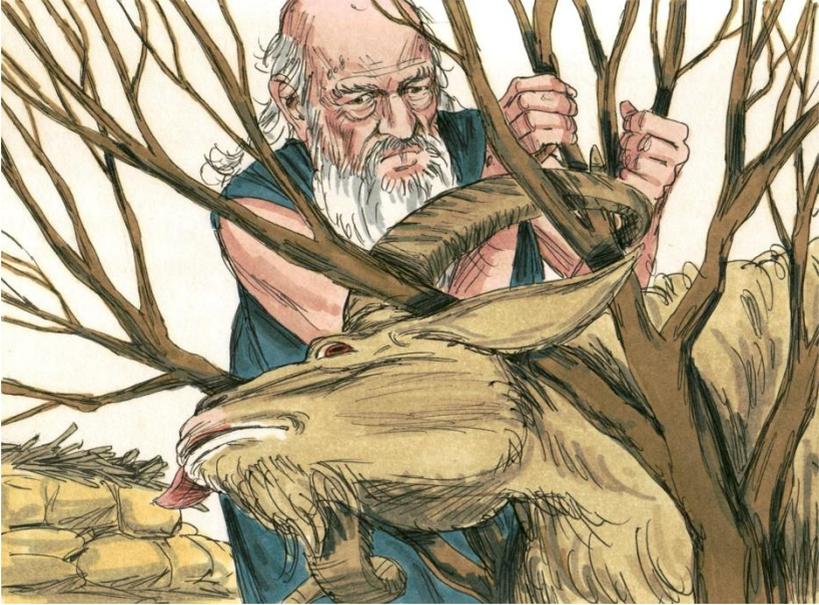

God is a constantly increasing and multiplying money supply to us.

This is the Jehovah Jireh you need to get to know.

It is important to understand that Jehovah Jireh is a principle - and a scientific one at that.

However, Jehovah Jireh is a Person. He is the One Who created you and He is in the business of meeting your needs and blessing you superabundantly.
