

# GET RICH NOW!!

**How to get rich in 3 hours  
...yes, really!**

**William McMurdo**

This little book is packed with prosperity dynamite that will blow the poverty and lack right out of your life. To appropriate these explosive truths you are going to have to ditch man's ideas about biblical prosperity and just take God at His Word. You cannot buy prosperity from God; it is His gift to you, just like healing, salvation and deliverance from demonic oppression.

You don't get rich in God by good deeds, giving to preachers or any other works-based activities. You get rich in God by what Jesus did for you on the cross. There, He became poor so that you might be rich. This book shows you how to walk in abundance and prosperity that already is yours. The teachings in this book are not theory; I have proven them in the fires of experience. I live my life this way and you can too.

All you need is a Bible and the willingness to speak what is in it.

If you will do that, you can get rich now...

BILL McMURDO

In this book you will find out how what God said can transmute into material wealth and riches in YOUR life.

This book will change your life forever...

# YOUR KEY TO IMMEDIATE RICHES

I want to give you something you can use immediately to become wealthy. The very second you begin to use this glorious key to riches, you will begin to be a wealthy person. However, before I give you the key, it is essential you understand three basic things:

Firstly, God is the Source of your supply. All your supply comes from the glory realm, the realm where God lives. This is why Jesus taught us to pray, "Our Father, who is in heaven." The Father lives in heaven and He is the Source of all you require or desire. Your supply is in the glory.

Secondly, because God lives in you, this means that your supply comes from within. Your supply is not dependent on the economy or outward conditions. Your supply comes from an inner awareness of your wealth. This is known as wealth-consciousness. In short, it means that before you can become wealthy in the outer realm, you must be wealthy inside. God, your Source, lives in you and the kingdom of heaven is within you, taught Jesus. So your supply is relative to how much of a consciousness you have of this.

Thirdly, your supply must be appropriated by you. You are responsible for accessing the unlimited supply that is yours. In other words, God supplies but He expects you to be actively involved in appropriating this supply for yourself. You must be diligent to do your part; if you are not diligent, don't expect supply to just show up. Only farmers who plant seed reap a harvest.

That said, let's begin!

The key to walking in superabundant supply is to understand the Biblical word SUBSTANCE.

**Now faith is the substance of things hoped for, the evidence of things not seen.**

**HEBREWS 11:1**

Faith is the SUBSTANCE of the things you hope for. The Greek word used here for "substance" is *hupostasis*. Translated literally it means "standing under" or "that which stands under".

W.E. Vine's *Expository Dictionary Of New Testament Words* says that *hupostasis* "has the meaning of the real nature of that to which reference is made in contrast to the outward manifestation." *Hupostasis* means the real essence of something. The Heritage Bible translates this phrase in Hebrews 11:1 as "Faith is the essence of things hoped for." It is talking about spiritual reality. Take healing, for example. If you have faith for healing in your body, that means your healing exists in a realm you cannot see it i.e. the glory realm. Faith is the substance of your healing.

Faith is a bit like Star Trek's transporter beam. It transports the thing you hope for – in this case, healing – from the glory realm of spirit to the physical realm of matter. Receiving healing or any other benefit from God is not really a mysterious thing; it is, in fact, very scientific. It is simply a matter of transmuting something that exists already in the spiritual dimension into a physical equivalent here on earth. Faith is the spiritual force or capacity which does this.

**For ye had compassion of me in my bonds, and took joyfully the spoiling of your goods, knowing in yourselves that ye have in heaven a better and an enduring substance.**

**HEBREWS| 10:34**

These saints had their material possessions taken from them yet they took it joyfully. Why? Because they had in heaven a more enduring SUBSTANCE.

The Greek word used here – *huparxis* – is different from that used in Hebrews 11:1, yet it contains the same essential meaning. It has the sense of “that which pre-exists” i.e. something which originates in heaven, the glory dimension. It can also mean “that which comes quietly into existence” i.e. into manifestation.

**But my God shall supply all your need according to his riches in glory by Christ Jesus.**

**PHILIPPIANS 4:19**

God here promises to supply you here on earth at the same level as you are entitled to in the glory realm. This means you have a right to supply at heaven’s unlimited level!

You can believe for perfect health because there is no sickness in heaven (Matthew 18:18).

You can live in a mansion here because you have one in heaven (John 14:2).

You can live free from sin here because there is no transgression in heaven (Romans 6:14).

You can live in abundance here on earth because there is no lack in heaven (Psalm 23:1).

God’s purpose for you is a no-lack, no-limit lifestyle. Whatever is yours in heaven can become yours in its physical equivalent here on earth (Matthew 6:9,10). The key to transporting or transmuting these blessings is SUBSTANCE. Faith is the substance you require. Faith gives physical substance to spiritual essence and these blessings manifest in the seen realm. However, you must *know* these blessings exist in the unseen realm in their real essence. That is faith.

The real essence of these blessings is spiritual. That is, they exist in a realm you cannot see with your physical eyes. The beauty of this is, they cannot be lost, stolen or eroded in that realm.

**Lay not up for yourselves treasures upon earth, where moth and rust doth corrupt, and where thieves break through and steal:**

**But lay up for yourselves treasures in heaven, where neither moth nor rust doth corrupt, and where thieves do not break through nor steal:**

**MATTHEW 6:19,20**

The Heritage Bible brings out the true meaning of the Greek here:

**Do not treasure up for yourselves treasures upon the earth, where moth and rust cause it to disappear, and where thieves dig through and steal;**

**But treasure up for yourselves treasures in heaven, where absolutely neither moth nor rust causes it to disappear, and where thieves absolutely do not dig through and absolutely do not steal,  
MATTHEW 6:19,20 Heritage Bible**

In this realm of physical matter, what we have can be lost. It can disappear. However, what you possess in the glory realm cannot be lost. It is a better and more enduring SUBSTANCE over there! The glory realm is not subject to change like this temporal realm. Here there is change. Your hair can thin and go gray here. You can die here. You can lose all your money here. But over there, it's all profit! Over there it's all LIFE! The thieving devil cannot steal your blessings over there. That's why those saints in Hebrews 10 could take joyfully the spoiling of their goods – because the real ESSENCE of their blessings was over there in the glory! In short, they could manifest again what they had over there!

The same thought is brought out in Luke 12:33.

**Sell that ye have, and give alms; provide yourselves bags which wax not old, a treasure in the heavens that faileth not, where no thief approacheth, neither moth corrupteth.  
LUKE 12:33**

Here Jesus is saying to provide bags which do not wear out. This word “bag” means a money pouch or wallet. He says these bags can be a treasure in the heavens that does not fail or, as the Heritage Bible puts it, these bags are “an inexhaustible treasure in the heavens.” Clearly these bags are filled with incorruptible, inexhaustible SUBSTANCE.

Jesus is saying here in these two passages that you can store up SUBSTANCE in heaven, where this substance cannot be eroded, stolen, lost or otherwise disappear. So how do you do that? The answer to this question brings us to the meat of this message.

What is this SUBSTANCE we keep referring to? What is this heavenly materiality that transmutes unseen blessings that exist in the glory into their physical equivalent here on earth? We already have the answer: FAITH is the SUBSTANCE of things hoped for, according to Hebrews 11:1. Faith is a spiritual force that enables us to manifest heaven's treasures here on earth. By grace we are saved through FAITH, Ephesians 2:8 tells us. We are saved by the grace of God, that is, His unmerited favour. It is His grace that has saved us; yet the agency of this grace is FAITH.

We could say it in scientific terms like this: we heard about the favour of God and we believed in it. This believing in it activated the very SUBSTANCE of salvation in us and we became born again in our spirit man. The SUBSTANCE of salvation that was contained in the message of God's grace brought that grace and salvation to us and it became manifest in us. We *believed* i.e. we had faith in what we heard.

This makes the dimension of faith and miracles accessible to every man, when we see that these things are not reserved for a special few but are actually scientifically applied. In short, if you want to be blessed in any area, you simply need to get the SUBSTANCE of that blessing into your heart and

mind. Faith is the receiving and application of SUBSTANCE, not the mysterious magic trick of certain holy ones.

If you want healing in your physical body, you don't need to seek out a special healer. You don't need a man in a white suit. You simply need to apply the SUBSTANCE of healing. This means the very essence of healing.

There is a resource given to mankind which contains all the SUBSTANCE anyone would ever need to live successfully and be perfect on planet earth. This resource can help you manifest all the blessings of heaven and change the nations. It can make you so successful in life that people will come from all over the globe to bow down and ask you your secret.

This resource is the Word of God, the Holy Bible.

Jesus said that man shall not live by physical bread alone but by every word that proceeds from the mouth of God. This is not just a nice sentiment; it is spiritual reality. God's Word contains the spiritual essence of everything you could possibly need to exist on planet earth. Every blessing it is possible to have is available to you if you will only take the time to find and appropriate it in the Word. Why is this? Because God's Word is a supernatural book. It is a book of SUBSTANCE i.e. heavenly materiality.

**So then faith cometh by hearing, and hearing by the word of God.  
ROMANS 10:17**

Faith comes by hearing. In order to have faith, you must hear. And the thing you must hear is the Word of God. Now, if faith is the SUBSTANCE of things hoped for and faith comes by hearing God's Word, then we can say that SUBSTANCE i.e. heavenly materiality comes when you hear the Word of God. This means that God's Word is full of SUBSTANCE.

You will be full of SUBSTANCE when you fill your ears with the Word of God. The more Word you hear, the more SUBSTANCE will be in you. This heavenly materiality can be transmuted into its physical equivalent.

If you need healing, you must hear words of healing from God's Word to get the SUBSTANCE of healing into you. Your spirit must be full of healing SUBSTANCE in order to then manifest this real essence of healing in your physical body. Healing is from within, from the spirit man. God deals with us on the spiritual level, then this works its way out into the outer realms.

Likewise, if you require deliverance from oppression. You must get the SUBSTANCE of freedom into your spirit man by hearing words of freedom from God's Word. It is the Word that sets you free. The power in God's Word actually does all the work; you are the "victim" in the whole thing. Of course, you are a victim of blessing! The point is, the only work you have to do is take the time to meditate the Word of God.

**Blessed is the man that walketh not in the counsel of the ungodly, nor standeth in the way of sinners, nor sitteth in the seat of the scornful. But his delight is in the law of YHWH; and in his law doth he meditate day and night.**

**And he shall be like a tree planted by the rivers of water, that bringeth forth his fruit in his season; his leaf also shall not wither; and whatsoever he doeth shall prosper.**

**PSALM 1:1-3**

**This book of the law shall not depart out of thy mouth; but thou shalt meditate therein day and night, that thou mayest observe to do according to all that is written therein: for then thou shalt make thy way prosperous, and then thou shalt have good success.**

**JOSHUA 1:8**

The Hebrew word for “meditate” in both of the above passages has a primarily vocal context and literally means to murmur in pleasure. Meditating the Word is to speak His Word over and over, packing it into your heart and mind. You can begin this right now. If you need money supply, take verses that promise you abundance and meditate them over and over. IT REALLY IS THAT SIMPLE.

You see, one side of the world system tells you that you need to work long and hard, then wait perhaps many long years before you can get rich. The other side of the world system tells you that you can get rich quick by various harebrained schemes. Neither of these approaches is right. God’s system isn’t a get-rich-quick system – it’s a GET RICH NOW system!

The very second you begin to meditate God’s Word concerning superabundant supply, you are speaking the SUBSTANCE i.e. the very essence of superabundant supply into your spirit purse. This SUBSTANCE must manifest in the physical. “How long will it take?” you may ask. The answer is, again, very simple. The more you do this and the more devout you are in doing it, the faster the physical manifestation will be. You must become developed in it. In fact, it must become your principal activity. Even if you have a job, you must regard it as secondary to your meditating the Word.

This meditation is not to be something you do to bail you out every so often; it must become your way of life. It will help to think of it as a banking transaction – you must deposit SUBSTANCE into your spirit bank every day. If you want to be a millionaire, you must deposit a lot of money in the bank. Likewise, if you want to be a millionaire God’s way, you must bank in the spirit first. That means speaking words of SUBSTANCE concerning superabundant supply into your spirit.

I am going to tell you right now how to get rich in about three hours. That’s right, you can get rich in the next three hours if you have a mind to. All you have to do is take the following Scripture verse and say it repeatedly for the next three hours:

**But my God shall supply all your need according to his riches in glory by Christ Jesus.**

**PHILIPPIANS 4:19**

That really is it, there are no complications to it. Just repeat the verse over and over. Don’t answer the phone if it rings or the doorbell. Don’t say anything else; don’t even pray. Just repeat the following over and over for the next three hours:

**But my God shall supply all your need according to his riches in glory by Christ Jesus**

If you will do this faithfully, there is no power on earth or in the universe that can prevent you from experiencing supply. Because supply will come to you, that is for certain. Now some will want to know exactly *when* but that is for each of us to experience. For some, it is instantaneous, for others it takes a little longer. In my own experience I have been speaking this verse and others and as I am meditating on the Word, instantly the supply comes. At other times, it comes soon after.

That is the first principle of manifesting supply from God's Word. The second principle is similar to it and it is this: personalize the Word. By this I mean take the Word you are meditating and make a personalized statement from it in the form of an affirmation. So, in the case of Philippians 4:19 you could say:

***God supplies my every need according to His infinite riches  
in the glory by Christ Jesus.***

It is vitally important to personalise God's Word because by doing so you do two things: firstly you make what you are affirming yours, and secondly you are agreeing with Him. So meditate the Word – keep repeating what God says about supply and then personalize what you are meditating.

Very soon you will develop the confidence to command money or any other need you have to come into your life. This is how you are supposed to live – by speaking the Word for whatever you need. If you continue doing this, the day will come when you don't need a job. But don't go quitting your job just yet! You need to walk before you can run.

This is how I make my living now, by speaking it in. Just the other day I spoke for a certain amount of money and within a day or two it came in, many times the amount I declared. This is not unusual for me. Now, I am not saying this to brag on myself; just the opposite. You see, it's not me, it's the Word in me that brings the supply. That is why anyone can do what I am doing. God is no respecter of persons. His Word will work for anyone who will take the time to develop their spirit and speak the SUBSTANCE of the Word into their heart. And it's not all about money; the Word will work in whatever area of life you need it to. Just take Scripture verses that cover your need and cram them into your spirit by meditation.

Don't try to force anything, either. Just let God's Word do the work. His Word contains the creative power to change your life so you don't need to strive to make anything happen. Your effort should be in getting the Word into your heart and mind until you begin to think, act and speak like the master God has called you to be!

Anyone can become a faith giant because faith cometh by hearing. The more you hear, the more faith you have! It really is that simple. It is SUBSTANCE, the heavenly materiality, that brings supernatural change. And you can have it, simply by opening your heart and mind to God's Word. And by speaking that Word into yourself. That is how you get rich in God and rich in faith. Religion makes faith confusing and difficult to obtain. However, the scientific operation of faith is as simple as could be.

You won't be doing this for very long before you realise that your speaking the Word into your spirit is more about activating what lies in you already

(that is, if you are a Christian) than about imparting power you do not possess. The simple truth is, you already have the God-given power and capability to get wealth and manifest supply. But meditating the Word is eating spiritual food. We all need to eat. God has ordained that we stay strong physically by the regular intake of food and drink. And spiritually we are not much different. Man shall not live by physical bread alone but by every word that proceeds from God's mouth. So you need to do this, to feed on the Word. You will never outgrow this. If you quit speaking the Word, you will get weak and your supply can dry up.

So keep speaking the Word just as you keep eating your physical food. The more you ingest, the stronger you will be. There is no such thing as obesity in the spirit realm, unless you eat junk food! Junk food spiritually is religious teaching, not the pure spirit food of God's Word. Don't try to be a smart-alec theologically; just get God's Word stuffed into your spirit! You will find that the Word in you will teach you what is right, along with the Holy Spirit who lives in you.

You should shun religiosity at all costs. Religious teaching has held mankind in bondage for millennia. Through religious teaching we have swallowed the lie that poverty is a good thing and that wealth and abundance are somehow evil. This is why you must meditate what God said because by doing so you begin to understand that His very nature is extravagant abundance and that He purposes for man to live in abundance and mastery.

When you speak God's Word concerning prosperity and superabundance into your heart, you become the very embodiment – the *enfleshing* – of economic success. It is not something you have to fret about or strive for; the process is automatic once you do your part, which is just to take the time to speak the Word. The answer for you is not up in the stars or anywhere else outside you. Jesus said the kingdom of heaven is within you! You must put the Word in and then the Word will do the work. It is His Word that prospers you, that attracts the funds, that supernaturally cancels and obliterates debt. It is His Word that does the miracles. The more Word you have in you, the faster and easier your deliverance from poverty comes.

Make sure that you understand this vital truth about meditating the Word, that you are not trying to get something you don't have by speaking the Word. The truth is, all things are yours (1 Corinthians 3:21,22). Meditating the Word is a means of making you pregnant, in a sense, with the substance of the things you hope for. These things are already yours. Faith is not believing for things that don't exist or that don't belong to you; it is believing for things you already have in the invisible realm!

Faith for supply is the very SUBSTANCE i.e. the real nature of your supply. You require money but the essence of money is not the actual money, it is FAITH. Faith is the spiritual equivalent of money. If you have faith, you can transmute it into the manifested thing you require. If you have FAITH for healing, you have the very SUBSTANCE of healing inside you. That SUBSTANCE will manifest as physical healing in your body.

The SUBSTANCE of supply is in the Word of God. This supply will manifest in any economy or any currency. The thing is not to be money-minded but supply-minded. God's supply exists in the glory realm. This means heaven,

of course, but it also means INSIDE YOU! God's provision becomes a reality in your life when you speak it over and over. That is really all you have to do. Remember Jesus' words in Mark's Gospel:

**For verily I say unto you, That whosoever shall say unto this mountain, Be thou removed, and be thou cast into the sea; and shall not doubt in his heart, but shall believe that those things which he saith shall come to pass; he shall have whatsoever he saith.**

**MARK 11:23**

You have to SPEAK to the mountain. Once you have done this, you have to believe that what you have said is coming to pass. If you do this, you will have what you said. If you say, "God is my SUPPLY and He meets all my needs," then you have to absolutely believe that. There is a simple way to absolutely believe it: SPEAK IT OVER AND OVER. This is true brainwashing. You need your brain washed from all the doubt and unbelief that religion has infested you with! The word "doubt" in this verse gives us a clue to what is meant by Jesus' bold statement here. To boil it all down, Jesus is telling us not to SAY anything other than what we want to happen i.e. not to voice a contrary thought.

In terms of prosperity we must keep speaking what God says about SUPPLY and never give voice to anything other than this. It is the contrary thought which we must guard against. Remember in the Garden of Eden that satan came to Eve and said, "Hath God said?" In other words, did God *really* say that? Do not allow such contrary thoughts to enter your thinking. Keep what God said firmly in your mouth and before your eyes. And also, keep what YOU said as YOUR word on the matter. If you say, "Money comes to me now and always," NEVER say ANYTHING that is in any way contrary to this. NEVER even say, "I wonder if this is working." Doubt and wonder have no place in the vocabulary of a person of faith.

What counts is what God said. That's why His Word is the most important opinion on the subject. In fact, it is the only valid opinion. However, it is also vital what YOU say. If you agree with what God said, you will manifest blessings galore in your life. If you have your own opinion or listen to and voice opinions of others that undermine God's Word, you can expect to not receive very much. YOU MUST SPEAK GOD'S WORD AND ONLY GOD'S WORD ON THE MATTER.

In verse 24 of Mark chapter 11, Jesus says: "When ye pray, believe that ye receive..." It is vital for you to grasp that you don't receive when things manifest in the physical realm but that you receive by faith i.e. by SUBSTANCE. You receive the SUBSTANCE of the thing you hope for and then it manifests. This is why many fail to manifest – they count the manifestation as receiving. However, receiving comes first, then manifestation.

I am endeavouring here to make it as clear as I possibly can how simple it is for you to manifest supply in your life. How much more straightforwardly simple can it be than to say to you that your level of manifested supply is determined by how much SUBSTANCE i.e. faith is in you? And this, of

course, means how much Word is in you faith (substance) comes by hearing and hearing the Word.

So why delay? Begin now to get His SUBSTANCE Word in you. Your level of supply is determined by how much SUBSTANCE you can cram in. Yes, it sounds crude but faith isn't a genteel business, it is for the rude and the crude! You need to be the type of person who is very stubborn, too. You will have to be relentless about this. Don't be a wimp who "tries" this for a while and then gives up. The life of faith is not for quitters.

The Word of God has spirit LIFE in it. It has the Divine energy and power to BECOME WHAT IT SAYS in your life. If it says you are healed (and thank God, it does!) then those very words have SPIRIT POWER in them to become manifested health and healing in your body. Now, you can have great fun delving into the science of how this works but you don't have to. You can just accept that it does! I don't need to be a professor of physics to boil a kettle. And you don't need to be a theological egghead to be a giant in faith. All you have to be is a goldfish! Goldfish will eat and eat and grow and grow if you let them.

So start eating God's Word and don't stop! Ingest more and more until you are full of the SUBSTANCE of the things you hope for. If you do, no power on earth or any other realm can stop you bringing into manifestation the blessings laid up for you since the foundation of the world.

If you would only do this enough, you could manifest billions and be a mighty tycoon on earth. You shall decree billions and they shall be established unto thee...
