

THE BOOK OF WEALTH

WILLIAM McMURDO

GOD WANTS YOU RICH!

In this book you will learn principles of financial superabundance that will make you wealthy beyond your wildest dreams. You need to understand that God is not opposed to you having money; He is, however, opposed to money having you! The very first principle you must learn is this:

Don't get precious about money

Money is a God-given tool to help you walk in covenant blessing (Deuteronomy 8:18). God wants you to have money because He doesn't want the devil and his bunch to control the economic realm. In this present Babylonian order, money is power. That's the essence of the world system. If you have the gold, you can make the rules.

God's system is the reverse of this. In God's system, you get the power first. Let me repeat this: **YOU GET THE POWER FIRST!** That's why Jesus said "Seek ye first the Kingdom of God and all these things shall be added to you." The word *Kingdom* means dominion, power, authority. In the world's system, if you have no money, you have no power. On the other hand, if you have lots of money in the world's system, you have consequently a lot of power in that system. However, God's economy operates the opposite to this. In His economy, you get the power *first* to get wealth. Then the money comes to you.

But you shall remember Yahweh your God, for it is he who gives you power to get wealth; that he may establish his covenant which he swore to your fathers, as at this day.

DEUTERONOMY 8:18 WEB

If men had written this verse, it would read, "But you shall remember Yahweh your God, for it is He who gives you tons of money!" This is because man always wants to go right to the gold. But God wants us to get to the SUBSTANCE of the gold. Why? If they take away our gold, we have in heaven (i.e. in the glory realm) enduring substance to replace it with (see Hebrews 10:34). You can't plunder the man who is rich within. How do you get rich within? That's the easy part. I said: THAT'S THE EASY PART!!

Yes, the Almighty will be your gold and your precious silver.

JOB 22:25 NKJV

The law of your mouth is better to me than thousands of pieces of gold and silver.

PSALM 119:72 WEB

You have to get rich *within* first. You do this by literally packing your spirit and mind with the Word of God concerning supply. The substance of supply in the material world is the eternal Word of the Living God. It is more valuable than physical gold because God's Word produces FAITH. Faith is the currency of the spirit realm as money is the currency of the natural realm. And you MUST learn this principle:

FAITH FOR SUPPLY WILL MANIFEST AS SUPPLY

This principle is true for salvation, healing, deliverance, protection. And, of course, money. Faith for supply produced in your spirit by the Word of God will manifest as financial supply in the physical realm, just as faith for healing will manifest as healing in your physical body. You can have as much money as you want if you will take the time to cram your spirit and mind with the promises of God that cover financial supply. If you need financial provision, understand that the word *provision* means "something prepared beforehand which you can now see". In other words, you will see your money in manifested form when you prepare it beforehand in the mint of your heart. Your spirit man is a bank that both creates money supply and stores it in a realm where things of this temporal realm cannot touch it or depreciate it (see Luke 12:33 where Jesus tells us to make ourselves money depositories i.e. our spirits are storage places).

You have to see by faith the supply is already yours. Faith is not plucking things out of thin air; it is the "seeing" of the invisible. Your supply exists in the invisible realm. Faith "sees" this supply when your physical eyes do not. Then faith speaks what it sees. The key issue is this: SUPPLY EXISTS. Faith sees what exists already. Your supply is in the glory realm (Philippians 4:19). You must constantly speak this supply

into your heart because your spirit is the processing centre that manifests the invisible, bringing things from the above-the-speed-of-light dimension of glory into the sub-speed-of-light world of the physical.

The more you pack your spirit man with supply verses from the Word of God, the more that Word will produce manifested money supply in your life. That Word is the God-given power of Deuteronomy 8:18 to get wealth and the God-given spiritual authority of Matthew 6:33 to have supply added to you.

So how much wealth are we allowed to possess as Christians? This is the question that the religious fall over themselves to answer. But God's Word gives us a clear answer:

YHWH is the portion of mine inheritance and of my cup: thou maintainest my lot.

PSALM 16:5

The believer's share is YHWH Himself. This means we are entitled to limitless wealth! Since YHWH is infinite, we have no cap or limit upon our portion. He is our share. Every Christian has access to the unlimited wealth that is in YHWH. Whatever YHWH has or is, we can partake of. You could meditate upon this for the rest of your life and it would be utterly mindblowing.

Paul says in 1 Corinthians 3:21 that all things are ours. God has withheld nothing from us. He who has given us His precious Son, will He not also give us all things (Romans 8:32)? If He has given us the best He has, why would He withhold the rest? You need to think this way. It is scriptural thinking. Thinking religious thoughts will leave you poor and miserable. Thinking the Bible way will elevate your consciousness to one of wealth and power.

God wants you to think rich. He doesn't think cheap thoughts, or poor thoughts. You have to think like Him. Constantly meditating upon the truth that YHWH the Infinite and Eternal is your share and that all things are yours i.e. you have access to limitless resources and are the possessor of them, will expand your consciousness in an awesome way.

If God is in you, how can you ever lack or be poor? If the Possessor of heaven and earth, the Owner of all the gold and silver and the cattle on a thousand hills resides in you, how can you do without? There is no lack to them that fear Him. There is no lack to the house in which YHWH dwells. That house is you; you are the New Testament temple of YHWH. The Creator lives in you and from within you He will build your house and furnish it with gold, silver and precious things. It is His house too. As the Old Testament temple was furnished with the best of gold, so He will bedeck you with the finest. As there was vast wealth in the Temple of Solomon, so there will be vast wealth in you and your environs.

The Glory And The Gold

Arise, shine; for thy light is come, and the glory of YHWH is risen upon thee. For, behold, the darkness shall cover the earth, and gross darkness the people: but YHWH shall arise upon thee, and his glory shall be seen upon thee. And the nations shall come to thy light, and kings to the brightness of thy rising.

Lift up thine eyes round about, and see: all they gather themselves together, they come to thee: thy sons shall come from far, and thy daughters shall be nursed at thy side.

Then thou shalt see, and flow together, and thine heart shall fear, and be enlarged; because the abundance of the sea shall be converted unto thee, the wealth of the nations shall come unto thee.

ISAIAH 60:1-5

When the glory of the Lord arises upon you, look what happens: the nations come to you and kings come to you. And they bring their money with them! Verse 6 says that they will bring gold and incense. The gold follows the glory! Gold is a type of the glory of God in Scripture. When the glory of God shows up in your life, it attracts its physical counterpart. Wealth is manifested glory. Gold is physical glory.

Verse 7 of Isaiah 60 tells us that God will glorify the house of His glory. That's you and me! We are the house of God; we are His temple. Look at Solomon's temple – it was covered in gold! Because gold is the manifestation of glory!

Verse 9 tells us that we are going to have sons who will come with silver and gold. They are going to be people who see the glory of God upon us and get saved. They will be our children in the Lord. And they come loaded with gold and silver! Listen, how do you think God is going to effect the coming wealth-transfer? His glory is going to be seen upon us and it will attract the unsaved. Their money will mean nothing in that day. What use is money when the glory of God is in the midst? Why will this happen? Verse 9 tells us: "Because He has glorified you." Glory!

Verse 11 tells us that this will be a 24-hour operation – men coming with their wealth. Verse 12 tells us that the Lord will make the place of His feet glorious. That's everywhere that you and I walk, my brother and sister. Because He is walking in us. Verse 14 tells us we will be the very Zion of God – that is, the place where the Lord dwells and reigns from!

In verse 19 we see that God Himself is our glory in that day. Financial wealth and political & economic dominion will be ours when the glory is risen upon us. The gold follows the glory. Therefore, if you want the gold, seek the glory!

Everything you and I need is in that glory. In fact, if it's not in the glory, you ought not touch it. Let me ask you: is sickness in the glory? Is sin in the glory? Is poverty in the glory? The very streets are paved with gold in the glory! "They will be done on earth, as it is in heaven." As it is in the glory!!

But thou shalt remember YHWH thy God: for it is he that giveth thee power to get wealth, that he may establish his covenant which he sware unto thy fathers, as it is this day.

DEUTERONOMY 8:18

God gives power to get wealth in order to establish the Abrahamic Covenant. Look what happened after God began to covenant with Abraham in Genesis 12. Verse 7 tells us that God appeared to Abram. A few verses later, in Genesis 13 verse 2 it tells us that Abram was very rich in cattle, silver and gold! What happened? God showed up! And the cattle on a thousand hills followed Him. The silver and gold followed Him. The cattle on a thousand hills are His. The silver and gold belong to Him. When God visited with Abram, He just happened to leave a few things behind!!!

What is this power to get wealth spoken of in Deuteronomy 8:18? The very promise of God to Abraham had the power in itself to bring wealth into Abraham's life. 2 Peter 1:3,4 tells us that God's Divine POWER has given to us all things pertaining to life and godliness. It's speaking of the same thing as Deuteronomy 8:18! It is the POWER to obtain the resources necessary to establish the covenant. These verses in 2 Peter tells us that this POWER is made available through knowledge and this knowledge is understood by reviewing the promises! The promise itself has power to accomplish what it promises!

Abraham believed what God said. He believed God's promise. He just accepted that what God said, He would bring to pass. The POWER of the promise was therefore activated in Abraham's life. Wealth showed up!

Abraham had the promise. This contained the POWER. Note that he also had the PRESENCE. God appeared to him. The power to get wealth is therefore twofold. It is God's Promise – the Word. And it is His Presence. We could say that the power to get wealth comes from the Word and the anointing of the Holy Spirit. The Gospel is the power of God. "You will receive power when the Holy Spirit has come upon you." We get all excited because God came and visited Abraham in Person. But Abraham rejoiced to see OUR day! Because he had the Presence as special life events; we have the abiding Presence all the time. Abraham had the Promise and the Presence to prosper him. But we have access to far more of both in our day.

The power to get wealth equates with the glory of the Lord. To get wealth, you need the glory to show up. To get wealth, you need the power to get wealth. The glory of the Lord is His POWER. 1 Corinthians 6:14 tells us that God raised up the Lord by His power. Romans 6:4 tells us that Christ was raised up from the dead by the glory of the Father. The glory of the Lord is His power!!! Read Habakkuk 3:3,4 and you will see God's glory and where He hides His power.

What is the best way to get this glory of God to show up in your life? Simply this: you glorify God and He will glorify you. Give God all the glory and He will see to it you get yours. God will not share His glory with other gods but He *will* share His glory with you. It is His good pleasure to glorify His people in the earth. In fact, the glorification of God's people leads to more glory for Him. He glorifies Himself in and through His people. Remember when David exhorted his listeners to magnify the God Who has pleasure in the prosperity of His servant in Psalm 35:27? What he was really saying

was “Give God the credit and glory for prospering me – and He’ll keep prospering me to obtain more glory.” You see, God will be whatever you need or want Him to be, so long as you glorify Him in it.

Read the accounts of the feeding of the multitudes in Matthew’s Gospel. The secret of these miracles is this: Jesus gave thanks. He glorified God for what they had. As a result, God multiplied what they had. If you give God glory, He’ll show up in greater glory still. You’ll be able to live on the fallout of that glory! That is the secret of gold. Give God the glory, He’ll give YOU the gold. Give God the glory and He’ll multiply it back on you. Give God the gold (physical glory), He’ll multiply that back on you too. He is El Shaddai, the God of multiplication. He is more than enough. He is never equal to your need – He is greater than your need by immeasurable amounts. He is the God of the hundredfold and the thousandfold. You have to get this revelation of Him. If you get this revelation of God, you could take your place with the world’s wealthiest tycoons. Abraham did. So did Isaac and Jacob. So did Joseph. So did Job.

All the glory belongs to Him. The earth is His, with all its mineral resources. You are his heir. Let it sink in. Nothing is withheld from you.

I am saying this by the Spirit of God: every Christian is created as a magnet for gold and silver. This is a scientific fact in the spirit realm. It is time we learned how to energise our magnets. We can do this by giving God the glory. When His glory fills the whole earth, the gold and silver will start piling up in the homes of believers. But remember: if satan can prevent us giving God the glory, he can hinder us from receiving the gold.

You have a right to gold and silver. You have a right to manifested wealth. This truth is probably the most contested truth in the world today. Imagine if you were wealthy enough to buy a media empire and change every TV channel, every newspaper, every radio station, every website in that empire into a Bible-promoting, Holy Ghost vehicle to reach the world. That is God’s plan. So give God the glory and watch the gold show up in your life! It will happen!

If you think that preachers just want your money, read this:

The Real Deal On Seed-Faith Prosperity

For you know the grace of our Lord Jesus Christ, that, though he was rich, yet for your sakes he became poor, that you through his poverty might become rich.

2 CORINTHIANS 8:9 WEB

How do you become rich as a Christian? That is a vital question for the believer in this day and age. Prosperity preachers tell us it is by giving or sowing a money seed in order to obtain a financial harvest. This is called *seed-faith*. It is the principal prosperity message taught by prosperity preachers today. Seed-faith is not a new teaching. I remember some years ago giving John Avanzini, the foremost proponent of prosperity teaching as taught today, a book by a Puritan writer on "Riches Increased Through Giving".

And seed-faith is entirely biblical. It is based on the law of seedtime and harvest i.e. what you sow, you reap. And this law has *increase* built into it. You see it in what we call Nature all the time. Herein lies the problem. Because seed-faith is not God's method of making Christians rich. Seed-faith is not the principle for God to bless believers with supernatural wealth. Seed-faith is a universal law and is perfectly normal and natural. NOT supernatural.

Farmers use this law all the time. So do investors and bankers. Don't cite the hundredfold return as a supernatural key, either. Good farmers and smart (or fortunate!) investors can produce returns way beyond the hundredfold. Yes, the law of seedtime and harvest is supernatural in that it is proof of a built-in Divine factor. How can one tiny seed multiply to become acres of corn through this law? Because there is clearly something Divine/supernatural at work in the process, that's why!

But it happens all the time. For unbelievers as much as believers. Some unbelievers are more shrewd than believers at applying the law of multiplied seed. Give a good businessman £100 seed money and he will multiply it over and over. Give a good farmer a bucket of seed and his great-grandchildren will be eating the harvests of this bucket years later. And selling the crops for fortunes! Seedtime and harvest is not God's method of making the believer rich.

So what is?

You just read it in 2 Corinthians 8:9. God makes you rich through the atoning work of Christ on the cross. He who was the Owner of all things as Almighty God became poor on Calvary's tree. He took your poverty and mine upon Him there and in exchange gave us His unlimited wealth. Just as He took our sin nature and sins and in exchange gave us His Divine nature and righteousness. Just as He took our sicknesses and gave us His health & life. Just as He took our death and gave us eternal zoe life. Just as He took our shame and gave us His glory.

You don't get rich by giving money to preachers. You get rich by receiving Jesus Christ and the unlimited supply available to you as a joint-heir with Him. The cross is

your ticket to wealth, not that you responded to an appeal for money. I want to say this to you right now:

You can be blessed with supernatural wealth-accumulating power by God if you never give another penny to appeals for money by preachers!!

You don't get rich by your giving. You get rich by being a Christian. And believing God for it to manifest in your wallet! Of course, you *can* use the law of seedtime and harvest to get wealth but anybody can do that. And you should use the law; God put it there to help us. But SUPERNATURAL WEALTH comes the same way as every other blessing of the atonement – by FAITH! Simply believe that all these things are added to you and you are wealthy the moment you believe.

Martin Luther challenged the Roman Catholic teaching on Indulgences i.e. the purchase of so-called spiritual blessings by earthly money. Likewise, you don't need to "buy God's blessing" by giving a super-duper offering. Have you ever noticed all the blessings promised by preachers for your "exceptional over-the-top offering" are things you ALREADY HAVE by faith? Now, you might not be manifesting them right now but FAITH IS THE MANIFESTER. Not money. Faith is God's currency in the spiritual realm. And that's where your blessings are stored (Eph.1:3).

Of course, it is right to give. But not through being coerced. Let each man determine in his own heart what he will give. Will God prompt you to give and bless you when you do? Absolutely. But it isn't a mechanical process. God is not a slot machine you can dunk your money into and whoopee!! here's your perfect life with the perfect wife.

Being in Christ is your God-given guarantee to wealth. God gives the power to get wealth (Deuteronomy 8:18). This was God's Word to every Israelite under the Old Covenant made at Sinai. It is part of the blessing of Abraham. The Israelites were descended from Abraham and blessed because they were. Abraham was blessed in all things. He was the Covenant Partner of YHWH and the original recipient of what we call the birthright blessing. This blessing made Abraham a billionaire in his own lifetime. We who are in Christ are partakers of this blessing. It is a clear promise of material success. Christ had to become a curse in order for it to become real in our lives (see Galatians 3:13). Verse 14 tells us that this blessing has now come upon us. But look at what it says. It speaks of a material blessing but then calls it the "promise of the Spirit". How can a financial/economic blessing be linked to the giving of the Spirit? Because He is the Spirit of Success, Prosperity and Superabundant Wealth-Accumulation! God sent the Holy Spirit to empower believers to get rich. The smearing, or anointing, of the Spirit is to clothe us with success!

Christ becoming the curse so that blessing could flow (see Galatians 3:13,14) is another way of saying that on the cross He became poor so that we could get rich. He was cursed with poverty at Calvary. Poverty is a curse! And He took that curse so we could get blessed with Abraham's multi-billionaire unlimited prosperity blessing! Now, you don't have to accumulate billions. But you can if you want to!

You don't have to "get rich" if you are a Christian. You just have to *manifest rich* in your assets and finances. The Gospel is the greatest get-rich-quick deal in history. That's why Jesus preached it to the poor! Healing is part of the Gospel. Deliverance

is part of the Gospel. We know that Salvation is part of the Gospel. If you will accept that Prosperity is equally part of the Gospel, you can begin to see it show up in your finances.

**Truly He who did not spare His own Son, but gave Him up on behalf of us all, how will He not freely give all things to us with Him?
ROMANS 8:32 LITV**

Notice the word “freely” here. He FREELY gives us all things. What does all things mean? Anything? Everything? If language means anything then all things means all things doesn’t it? Or anything. Or everything. And He gives us them FREELY.

No levers, no tricks, no gimmicks. And no conditions. You only have to believe. You got salvation this way, didn’t you? You get healing this way, don’t you? By faith, that is. Does all things include salvation and healing? Of course it does. Now, does it include prosperity? Prosperity is part of all things, isn’t it?

Does God need you to give money in order to bless you? Let me put it another way: does God need your good deeds to make you righteous? Of course not; righteousness is a gift (Romans 5:17). You get it by faith. In just the same way, prosperity is a gift. You don’t get Divine prosperity by giving money, you get it by faith.

Seeding money for a financial harvest is great but it is not God’s key to supernatural wealth for believers. Seedtime and harvest is a universal law that even unbelievers can use. True God-given prosperity is a gift. You don’t get it by giving money. You cannot buy it. You get it by faith.

The problem is, we have reversed God’s order. Prosperity preachers say it like this: “Give and God will make you rich.” But God’s order is: GOD WILL MAKE YOU RICH AND THEN YOU WILL GIVE. Look at this verse:

**And God is able to make all grace abound to you, that you, always having all sufficiency in everything, may abound to every good work.
2 CORINTHIANS 9:8 WEB**

This verse is used by prosperity preachers to “prove” that we should abound to every good work so we can prosper. But this thought actually reverses the order of the verse. Notice that God multiplies grace upon us, this results in our having all sufficiency, THEN we abound to every good work. This is the Divine order. The grace, then the gain, then the giving. NOT the giving first. Then look at verse 11 of the same chapter:

**you being enriched in everything to all liberality, which works through us thanksgiving to God.
2 CORINTHIANS 9:11 WEB**

Again, prosperity preachers cite this verse to whip people into being liberal so they can get rich. But once more, this reverses the order of the verse. We are enriched

FIRST to all liberality. In other words, we become big givers *because* we are enriched, not to get rich. This is the clear meaning of the verse. We are enriched i.e. made rich for the purpose of being liberal. You can't get liberal with what you don't have!

I know that some may say that the two verses in between verses 8 and 11 speak of sowing and reaping and this proves that this is God's method of enriching believers. But does it? Let's look at verses 9 and 10:

As it is written, "He has scattered abroad, he has given to the poor. His righteousness remains forever."

Now may he who supplies seed to the sower and bread for food, supply and multiply your seed for sowing, and increase the fruits of your righteousness;
2 CORINTHIANS 9:9,10 WEB

Notice that YHWH is referred to as the supplier of seed AND of bread. In other words, He is the Provider of our immediate and future needs. You need seed for future provision but you also need bread now. So you don't have to "give your way out of trouble" as some would have it. Many prosperity teachers are way too seed-minded and not bread-minded. The Lord will meet our immediate needs without us having to "seed our way out". Yes, He will multiply our seed for sowing i.e. He will enable us to operate in seedtime-harvest. But this is a universal principle that all men can use. The principle of multiplied seed is not for believers only. Any unsaved farmer will tell you that.

Verse 10 says "He will multiply your seed for sowing." This is cited as proof that the Lord multiplies the seed we have sown in order to make us rich e.g. give God £10 and He will multiply it back to you. This is the big idea of many prosperity teachers. Give God your money as a seed and He will multiply it back to you.

But that is not what the verse says. Yes, I accept that the Authorised Version says He will multiply your seed sown (past tense) but many versions (including the World English Bible quoted here) have the meaning of "seed for sowing". This means that He multiplies your seed BEFORE YOU SOW IT!!! Jay Green's LITV says He will "supply and multiply your seed."

He supplies and multiplies your seed FOR sowing. This is a massive difference. In other words, before you take advantage of the law of seedtime and harvest, He gives you plenty of seed to sow! God multiplies your seed BEFORE you have your seed multiplied by the law of seedtime-harvest. This is exponential multiplication. The Christian, then, is made rich PRIOR to giving, not as a result of giving. This is Divine order.

Verse 9 quotes from Psalm 112. This is the Psalm of the man blessed for fearing YHWH and delighting in His Word. He is a giver to the poor. Who is? The blessed man, the man with wealth and riches in his house. He has been made rich by meditating God's Word and knowing he has a right to wealth. Then he becomes generous. You can't give what you don't have. Verse 9 is not, therefore, an argument for the "give to get rich" mentality but a refutation of it. It is only a blessed man who can give and the blessing of YHWH is what makes rich. YHWH is the supplier of

seed. And He multiplies it. The Father wants His children to have more money in the system than the devil's kids. So He gives us more to sow!

In a nutshell, this means that, if the unsaved have £100 to sow and can expect a multiplied return, our Father will give us a head start by giving us £1,000 to sow, in order for our harvest to dwarf theirs. If this is not the God you know and serve, you best check up on yourself!

What a wonderful system! Once you have sown your pre-multiplied seed, you have it multiplied back to you by the law of seedtime and harvest. Is it sinking in yet? You cannot lose financially as a Christian. The system is rigged to prosper us! He is the multiplier of our seed for sowing (this is the supernatural part – the part the unsaved don't partake of) and then He multiplies the seed sown (by the universal law of seedtime and harvest).

Then take a look at Abraham. We are told that Abraham tithed his way to wealth. But Abraham gave a tithe to Melchisedec AFTER God had made him superabundantly wealthy. Again, Divine order. God promised Abraham wealth and renown. This is what made Abraham rich. THEN he tithed. You get rich because God said you are. Through Christ and by grace. Not because you bought your way to wealth by sowing. Get wealthy, then sow. That's God's way!

How To Launder Money

Your Heavenly Father knows you need to have money to operate on this planet. He wants to make you rich in commodities other than money, too. This is because these commodities have real value, not man-created value such as paper money or electronic funds. When the Babylonian system fails, these man-created “funds” will likely become valueless (see Revelation chapter 18), so it is important to accumulate wealth other than money. Also, to protect yourself from the attrition of the Matrix (see *Heavenly Banking*) and its debt-ridden economics, you need to plead the Blood of Jesus over all your possessions, especially your money. There is a very strong spiritual reason for doing this. The Blood of the Lamb is the most precious substance to ever be in the physical realm. It carried the very Life of the Lord Jesus. And its shedding cancelled every debt you owed or could ever owe. When you plead it to God, it cancels debt and destroys the spirit of debt. It cancelled your debt of sin and rebukes your accuser, satan, who condemns you of this debt of sin.

Just as the Blood of Jesus cancelled your debt of sin in the spiritual realm and rebukes the spirit of accusation against you, so in the financial realm, the Blood cancels the power of debt and destroys the spirit of debt in fiat money. Pleading the Blood unleashes miracle supply to you in the natural realm because His precious blood paid for every blessing in the heavenly realms which is stored up for you. This is the way to defeat satan and *his* plans for your finances (see Revelation 12:10,11). You can gain the whole world by storing up a fortune but lose your soul in the process because it is debt money you have hoarded. The spirit of debt in money you haven't cleansed in the Blood of Jesus can destroy you. Don't let it. Be a money-launderer the God-ordained way!

The Two Systems

There are two systems of economics operating on planet earth right now: God's and Babylon's. In Babylon, everything is based on FEAR. The mindset is: *get what you can and hold on to it*. Why? Because people are scared to do without, scared to lose what they have, scared they won't have any. The mindset in God's economy, however, is: *give and it will be given back to you multiplied*. FAITH is required to operate this system. FAITH that God is a rewarder.

In God's system there is no need for hoarding based on fear. Why would you hoard when what you need is supplied to you, with more besides? LACK is the predator of Babylonian economics. SURPLUS is the reality of Divine economics. In God's system you give money, planting it as a seed in FAITH that it will return multiplied to you. Just as the farmer plants thousands of seed in the field, confident (which is another word for FAITH), that those seeds will grow up and become a crop that contains millions of seeds.

What system are you operating in? You may be a Christian yet be tied economically to Babylon. Here is a good indicator: ask yourself right now if your financial life is based on FEAR or FAITH. If, for example, you are hoarding for an "emergency" then you are in FEAR of satan beating it up in the economic realm. No evil shall befall thee nor any plague come nigh thy dwelling, the Bible says (Psalm 91:10). So why believe the FEAR word of satan? You cannot have "emergencies" or "calamities" (calamity is the meaning of "evil" used here in Psalm 91) if you live in the FAITH realm and take God at His Word. Even when we are attacked, FAITH is our shield and the victory we overcome by (Ephesians 6:16; 1 John 5:4).

There is nothing wrong with saving as such. In fact, it is wisdom to store up resources. However, it depends upon your motivation. Are you FEAR-driven or FAITH-motivated? The FAITH man or woman will store up to have more to give and to function in the Kingdom with, whereas the FEAR person will hoard out of a torment that he/she will lose what little he/she has.

Let me emphasise: it is not wrong to build your capital resources. But it *is* wrong to do so based on FEAR. You know you are in Babylonian economics if you are making decisions from a FEAR perspective. Jesus called this serving Mammon. Mammon is the demon spirit which drives the world economy. By the world, I mean the world system or Babylon. Mammon is a spirit of fear and of lack. It is also the spirit of debt. Debt drives Babylon's economy (see *Heavenly Banking*). You serve Mammon by fearing lack and/or by getting into debt. I don't mean running up your phone bill or other bills, although pre-paying your bills is a good strategy. However, this too can be something you do by FEAR. No, I mean you are serving mammon if you are in chronic debt.

The greatest single thing you can do to break free from Babylon's economy is to destroy the fear of lack in your life. You do this by aggressive spiritual warfare and by developing FAITH FOR SUPPLY through meditating God's Word. If you will serve God by meditating His Word, the chains of servitude to Mammon will fall off your life. And your wallet!

Let's just say you have £100 in the bank right now. If you have debts, that £100 is spoken for. The borrower is servant to the lender. So you are serving your creditor until the debt is discharged. But if you don't owe anybody, that £100 is either serving Mammon because you are scared of an emergency or it's £100 in the Kingdom. You are either hoarding it out of FEAR or stewarding it in FAITH. Let me say right now, it's not wrong to save up for things you desire, such as a house or car. Just keep FEAR out of your money! You saw in *How To Launder Money* that we must keep debt out of our money by pleading the Blood of Jesus over it. Likewise, you must keep FEAR out of your heart when it comes to money.

God is a Rewarder. This means He is the multiplier-back-to-you of seed sown by you. He is your Source of Supply. And His nature is superabundance! Mammon is a punisher. Mammon takes from you, sucking the life from you. And driving you by tormenting FEAR. So who do you want to serve? Whose system do you want to operate in?

Get the fear out of your life and operate God's system today!

Fear has torment but perfect love casteth out fear...

Heavenly Banking

God's Economic System To Counter Babylonian Debt Economics

There is something absolutely vital to understand if you are looking to manifest more money. It is this: MONEY IS AN ILLUSION. The money that is circulating just now is a creation of the Babylonian Matrix. It is debt money. One of the keys to understanding what is really going on in the world is to ask yourself the question: Where does money come from?

Who makes the money that we use? If you answer "the Government" then go to the back of the class. Why? **Because governments borrow money.** Who do they borrow it from? The answer to that question is the key to understanding how planet earth really works. The Bible says that the borrower is *servant* to the lender. This means that governments serve those they borrow from. And so do you. IF you are still in the Matrix, that is.

Money as we know it today is debt money. If you don't believe that money carries a spirit of debt with it (under the present system), ask yourself what would happen if you made a million pounds with it in the next year. You would OWE taxes on it, wouldn't you? Even if you won millions "tax free" on the lottery, the minute you start using that money to buy and sell property or to set yourself up in business, it gets clawed back from you in taxes, doesn't it? This is not because "that's the way things are." It's because the banksters made it that way.

Another way to look at it is this: do you own your own house? Or, to be more accurate, do you *think* you own your own house? Some people believe that the key to defeating the banksters is to pay off their mortgage and "own" their house. Let me shatter that illusion. Try not paying your taxes and see who REALLY owns your house. Has the penny dropped yet? You get to *use* your house as long as you pay tribute. You get to accumulate money so long as you kick back a certain percentage to your rulers. Under the bankster system, there is no economic freedom.

If you think there's nothing wrong with this state of affairs, you really need delivered! The present banker-dominated system is not freedom, it is racketeering, government-sponsored racketeering at that. You live in a country where, if you don't pay back to the government a portion of your earnings, you can lose your home, your possessions and possibly your liberty. And the governments are only collection agents for *their* masters, the banksters. Jesus said that the children are FREE from all this extortion. But He then paid His and Peter's tax to avoid a fuss.

Now, having said all this, we need to see that God is not dumb. He knows you need to operate in this pathetic system. He knows you need money, even though it is created by the banksters and is the symbol of indebtedness to them. Money is actually the token of servitude to Babylon. Every note created is a debt payable. Look at a ten pound note. It is a promise note, isn't it? It is a promise to pay i.e. a debt. So let me ask you: can you actually get ten pounds of sterling silver anywhere for your

ten pound note? If not, it's an EMPTY promise, isn't it? It's a LIE if we are talking honest, isn't it?

Every time you pay for goods with paper money, you are paying with fake money. Why? Because you cannot redeem those notes with gold or silver. These pieces of paper are fiat money created by the bank. Fiat money is the economists' term for fake money. In other words, paper with created or invented value. But, crucially, that value has inbuilt debt. Remember that those who are in debt are servants of those who lend to them. The banksters want to enslave mankind and turn all men into their servants. This is the Babylonian economic system foretold in Scripture.

Now this doesn't mean you don't need money, nor that you shouldn't accumulate it. What it means is that MONEY IS NOT TRUE WEALTH. This is why Jesus said not to lay up treasures on earth. This means not to invest in the world system, where moth and rust consume and where thieves break through and steal. This refers to the inflationary nature of the banksters' economy, and their propensity to steal from you by horrendous taxation.

No, we are to lay up treasures in heaven i.e. BANK IN THE SPIRIT. God's currency in heaven and on earth is FAITH and LOVE. Owe no man anything but to LOVE him, we are told. Faith for supply is God's currency. This faith can manifest as money if money is what you need. It can manifest as salvation, healing, deliverance, protection etc. In short, what you need to function will be supplied from the spirit realm, the realm of glory. To bank in the spirit is to make your heart a money-purse. Or, to be more accurate, a SUPPLY PURSE. Your spirit is to become a production centre and storage facility for the supply of God, which can be "stepped-down" into hard cash, if need be. Or, indeed, any other benefit you need manifested on this physical plane.

God's Word is full of FAITH and LOVE. When you cram these forces into your spirit by speaking the Word, your spirit is charged like a battery. Supply in the natural comes to you when you charge up your spirit battery with the SUBSTANCE Word of Jehovah.

But treasure up for you treasures in Heaven, where neither moth nor rust cause to perish, and where thieves do not dig through and steal.

MATTHEW 6:20 LITV

Sell your possessions and give alms. Make for yourselves purses that do not grow old, an unfailing treasure in Heaven, where a thief cannot come near, nor moth can corrupt.

LUKE 12:33 LITV

The Kingdom of Heaven is within us. This is the glory that indwells us (see Colossians 1:27). We are to be supplied from the riches in this glory (Philippians 4:19). When Jesus tells us to treasure up treasures in heaven, He is instructing us to fill our spirit man with His Word. This Word cannot be stolen from us or decline in value. The key word we have to understand in this process is not MONEY. It is SUPPLY. Money is the currency of this worldly system but you cannot put money into your spirit.. However, if you are rich with faith for SUPPLY, you can have MONEY

anytime you need to manifest it. Don't be rich with MONEY; that is, don't put your trust in money. Be rich with SUPPLY. Put your trust in the SUPPLY of God!

This verse brings out perfectly what we are looking at here:-

The law of your mouth is better to me than thousands of pieces of gold and silver.

PSALM 119:72 WEB

God's Word produces FAITH, which is better currency than thousands of pieces of gold and silver i.e. money. Note that God's Word is better than specie money i.e. real money, not fiat money. FAITH will bring you money, healing, deliverance... anything you need. This is why you need to believe for riches other than money e.g. gold, silver, land, jewels etc. Because, when money fails, you can be rich in real commodities. This is probably what will happen at the fall of Babylon in Revelation chapter 18. Babylonian debt economics will fail and money as we know it will be rendered worthless.

So, be commodity-minded. God doesn't just want you to have tons of money. Remember that Abraham was made rich with the things that God declared are His, and that these things are real commodities (see Genesis 13:2; Psalm 50:10; Haggai 2:8).

Regardless of what passes for money, you need to make your spirit man a purse and fill it with the SUPPLY of God. Fill your heart and mind with promises of abundance and prosperity. These promises work in any economy! And when old Babylon falls, you won't be poor! You will be the head and not the tail in that day.

An interesting footnote to this is a study of the word "purses" in Luke 12:33. This word is translated "bags" in the KJV and means a money pouch. It has the sense of something violently thrown in and crammed down, precisely what we are to do with God's Word by cramming it into our hearts! Another Greek word translated "bag" in the KJV, meaning money-purse comes from very interesting root words. This word "bag" can be interpreted as "language of the world system" or "spoken provision", again highlighting the reality that manifested supply in this world comes from speaking God's promises of provision.

Get Rich Now – Stop Tithing!!

...ye have robbed me, even this whole nation.

MALACHI 3:9

The title of this message is deliberately provocative. I want to shock people bound by legalism into pausing just for a moment so that they give themselves a chance for the liberty that is in the Spirit to somehow get through the religious fog they are in.

It amazes me sometimes how hidebound some people are about their pet doctrines that they will get into fierce arguments with a preacher. No-one more than me is opposed to the pseudo distinction of clergy and laity yet, though there is no New Testament justification to define the saints in such a manner, it is clear that some, like myself, are in the ministry as a full-time job. Because of this I do admit to sometimes being more than a little perturbed when some person who isn't in any kind of leadership capacity or teaching role decides they are going to "set me straight" on something to do with doctrine. "I do enjoy your preaching, Pastor, but..." is the kind of lead-in to what I am talking about. I don't tell people, particularly those who are highly-qualified and greatly talented in their chosen field how to do their jobs. But any preacher will tell you that some people make it their mission in life to "correct" us in our error.

I say this because tithing is one of those hot potatoes that invite the spiritually ignorant to "enlighten" we preachers. When I mention that I am against tithing as taught and practised today, I know I will be assailed by the champions of tithing. I also know something else. Unlike me, they don't have to deal with the people who contact me from all over the globe who have been so badly burned by the "Thou shalt tithe" dogma that prevails in Churchianity today, some of whom are having their homes and cars repossessed. Many of these people have gone beyond despair and are crying out for a miracle. And many of them are both faithful tithers and sacrificial givers.

Tithing was commanded under the Law. We are not under Law but under Grace. Tithing is a principle that brought Old Covenant Israelites into a working covenantal partnership with Jehovah. If YHWH received the tenth, it obligated Him to protect and bless the other nine-tenths. This model does not apply to New Testament saints for several reasons. In the New Testament, it is not the Law that compels the believer; it is the indwelling Spirit. We do not need an external command to give a tenth; all that we have is His. Also, the principal tithe of the Old Testament was paid annually to the Levitical priesthood, since the Levites had no inheritance of land like the other tribes.

Because the Levites functioned as both a religious priesthood *and* a civil service, it is evident that the tithe was an early form of national income tax; indeed other nations in the Middle East had similar systems. Of course, we have income tax today which is much higher than the tenth required by YHWH, albeit it does not directly finance His work in our secular world. And, of course, we do not have a Levite priesthood since every believer is both king and priest to God. On top of this, the biblical tithe was a produce tithe and the majority of people today are not agriculturally-oriented.

This does not mean we cannot give a “cash” tithe but under the Law, this required an additional payment of 20% on top. This means that many Christians today, who faithfully give 10% of their paycheque, are still sadly behind in their legalistic tithing. Even those who tithe before tax! Also, Christians who are paid with tax deducted first can never truly give God the *first* tenth of their income since the government snaffles it.

Tithing is payable on increase. The Pharisees even demanded that household plants should be tithed (see Matthew 23:23), a practice which Jesus did not condemn. So, if you are reading this and want to be a “faithful tither”, the question is: Do YOU tithe on ALL your increase? If someone gives you a car, a house, books, clothing (I am including birthday and Christmas gifts here since they are increase), do you calculate their worth and pay a tenth of their value? What if someone gives you a very expensive present – say jewellery – that you do not have the money to pay a tithe on? Do you then become a God-robber or just a debtor to Him? This is an extremely serious point. If you take the view that non-payment of tithes makes you a debtor to God, you must necessarily conclude that 1) you are still under a Law-based i.e. works-based covenant and 2) that the Blood of Jesus has not fully cancelled out your indebtedness to God.

“But Abraham tithed before the Law and he is our example of tithing,” is a standard response by the pro-tithers. If so, he is a very poor one since Scripture only records him tithing once and that was long after he was rich. If your case is, therefore, that tithing made Abraham rich, you can’t prove it from the Bible. The whole point of the New Testament reference (in Hebrews chapter 7) to the tithes paid to Melchizedek is not that Abraham paid them but that Levi, in Abraham’s loins, paid them. This means that a superior priesthood has superseded and replaced the Levitical one in this New Covenant era!

“The tithes must be brought into the storehouse according to Malachi 3:8-10,” is another favourite old chestnut by the pro-tithing faction. The storehouse was a dedicated place in the Temple to store the tithes and offerings. Advocates of tithing postulate that the New Testament equivalent of this is the local church; however, this poses major problems. Firstly, “church” is not a building; it is an assembly of people. The Greek word is *ekklesia*. To pay tithes towards a building is simply not New Covenant. Secondly, in this New Covenant, WE are the Temple and House of God (see 2 Corinthians 6:16 and Hebrews 3:6).

What pro-tithe teachers mean is that you should tithe to THEM. This was illustrated to me very dramatically when I shared some of my thoughts on tithing with a fellow minister. To my dismay he confided that he was inclined to believe I was right but dared not preach it nor even study into it too much because he feared that if he began to preach liberty from legalistic tithing, both his church’s and his personal income would suffer!

This leads us to the second tithe, the one not normally taught by pro-tithers. You will find it in Deuteronomy 14:22-27. This tithe was paid to oneself! The clear teaching of this festival tithe was that you were to spend it on yourself and enjoy doing so. Maybe Malachi 3:8-10 refers to this tithe in a prophetic sense, in that the tithe comes into the house of God, which house we are! Isn’t it peculiar that heavy promoters of tithing

keep telling us we ought not eat the tithe, when that is precisely what God's Word says we are to do?

Then there is the third tithe, another one neglected by the "tithe and prosper" crowd. This is in Deuteronomy 14:28-29. It is a tithe for the poor and unfortunate. If you read carefully you will see that all three tithes incorporated the Levites. The first tithe was exclusively for them. The second and third tithes included a portion for the Levites. Also, the third tithe was paid every three years. All in all, it is calculated that tithing in Old Testament Israel meant that you paid out approximately 23% of your income in tithes. Extreme tithers, are you aware of this?

Now, I have no problem with people pledging a percentage of their income to God. But I do have a problem with the legalistic tithing message that is put across today. If you are being taught that if you don't tithe God cannot and will not bless you, find a new teacher! That is legalistic junk, friend. God doesn't need your tithe to open the windows of heaven on you any more than He needs you to do a few good deeds in order to make you righteous. If you need the windows of heaven opened, you need to get saved! Jesus is the open door to heaven. Back in the Old Covenant, the door was concealed. But when Jesus came to earth with good news for the poor, that was our invitation to walk in the door! We don't need God to throw us a few goodies out the window anymore – we can walk through the door and get it all (see Romans 8:32 and 1 Cor. 3:21-23)!

Most so-called "prosperity preachers" peddle the sad line (lie) that you need to give to God before He can give to you. "Give till it hurts" is their mantra. This means that the people stay poor while the preachers get rich. Well, I prefer to tell you the truth which is that GOD WANTS YOU RICH. No conditions attached. I want to get you rich, child of God because my Bible tells me that God will make you rich so you can give. Think about it: that is 180 degrees away from the "prosperity preachers" message. They say that you have to give so that God can make you rich. God says He will make you rich so that you can give. Who are you going to believe?

Go look up 2 Corinthians 8:9 and 2 Corinthians 9:8,11 and read them with fresh eyes. The chronology is undeniable, which is: get rich first, then give. Preachers who are after your money have reversed this. Even in 2 Corinthians 9:10, where it speaks about your sowing, it shows us that God makes you rich before you sow. Some translations correctly translate the phrase about God supplying and multiplying our seed in the sense of Him doing this before we even sow. Sowing and reaping will make you rich, for sure. But the believer doesn't need to do this. For the child of God, being a child of God is the right to supply (Matthew 6:26).

Now, I am a preacher. As such, I live by the Gospel. People give liberally to my ministry. They partake of my spiritual things and they then share their material things with me. That is God's order and it works. I have to confess that I am amazed by how dumb some people are, especially these "prosperity preachers" and the suckers that give to them. Why would a preacher tell people they need to give big so God can give big to them, knowing that they can't anyway? Why fleece the poor with a money-grabbing pseudo "gospel" when you can preach the *real* Gospel and get the folks rich?

I am no fool. I would rather get people rich because there's more money from the liberality of a wealthy and blessed people than a poor bunch! Now I can say that because my motive isn't to solicit money; it is to make you rich. God meets my need whether you ever send me a cheque or not.

I am not after your ten percent and neither is God. If you want to make a deal with Him about your finances, that's your privilege. But He is not playing the legalism game that some preachers are peddling with tithing. That stuff is separation which means religion i.e. man striving to merit God's approval. That's *another* gospel and it isn't good news (see Galatians 1:6,7). You can't buy God or His blessing.

If you have an agreement with YHWH that you give him a tenth of your salary or some other such deal – and it works for you – great. But don't do it based on a legalistic premise. What we call tithing today isn't even, as we have seen, Old Testament. It makes me very sad to say it but what we regard as tithing today is simply the invention of men who want to get the church bills paid, including their own salary.

In the New Covenant, God is building a new, alternative society – a community of the redeemed. Redeemed people consider it wrong to have people in their community who are poor. So, rather than boot them out, they bring them into a place of economic parity (see Acts 2:44, Acts 4:32-37). This is not accomplished by praiseathons or manipulative sermons based on the widow and her cruse of oil. Nor is it brought about by re-inventing tithing as a means of getting God to forget what Jesus did in His atonement and be more impressed by your 10%. It is the fruit in men and women of Love who has come to dwell in them.

If we really believe the Gospel, the “Good News” Jesus came to bring, we will see to whom it was addressed i.e. the poor. Then we will understand that tithing cannot add to the message, it can only demean the message. The message is a shocking one but has to be faced and embraced - there is only one kind of good news to a poor person. It is this: God wants you rich and God has made you rich at the cross. Tithing may have made some people rich. Good for them. But it is Jesus that makes the **kainos** creation rich, not their ability to slice off a tenth of their paycheque. It is a stunning fact that the Gospel of Jesus Christ is a GET RICH NOW message. Give God a percentage of your income if you want to. But not because you *have to* based on a faulty man-made concept of Old Testament law.

The Fundamental Way To Superabundant Wealth

And you shall remember YHWH your God, for it is he who gives you power to get wealth; that he may establish his covenant which he swore to your fathers, as it is this day.

DEUTERONOMY 8:18 NKJV

This verse is absolutely fundamental to understanding the concept of wealth God's way. YHWH gives us power to get wealth. When we understand this word "power" we will see exactly how God makes the believer wealthy in this dimension. The word translated "power" is the Hebrew word *koach*. This word can be translated as power or strength but also has two other meanings which will electrify you.

One meaning of *koach* is "wealth". Therefore, we could say it like this: YHWH gives you WEALTH to get wealth. This doesn't make a lot of sense in the natural. However, it makes great sense in the supernatural or spiritual. You see, you are already wealthy in the spiritual realm. When you become a Christian, you are automatically made rich. This transfer of superabundant wealth took place at the cross of Jesus Christ.

For you know the grace of our Lord Jesus Christ, that, though he was rich, yet for your sakes he became poor, that you through his poverty might become rich.

2 CORINTHIANS 8:9

When Jesus was crucified, He experienced extreme poverty for your sake and mine. It is not commonly known that crucifixion was regarded by the Romans as a measure of financial judgement. The ignominy of crucifixion was that the victim was rendered utterly destitute. Jesus bore this for us – i.e. the very extremes of earthly impoverishment – in order that the extremes of heavenly wealth may come upon us.

Although the cross of Jesus is where the deal was sealed, the purpose of God to bless us beyond measure was already all planned out before any of us was ever born:

**Blessed be the God and Father of our Lord Jesus Christ, who hath blessed us with all spiritual blessings in heavenly places in Christ:
According as he hath chosen us in him before the foundation of the world, that we should be holy and without blame before him in love:**

EPHESIANS 1:3,4 KJV

Before the foundation of the world, God chose us and chose to bless us with every blessing it was possible to have! Note that these blessings are stored in heavenly places. They are stored in the glory realm because that's where they are safest. No thieves can break in and steal from the heavenly vaults; no moths can devour or rust

decay the blessings stored in glory. Everything you will ever need or possibly desire is already stored for you in heavenly realms, in its perfect form!!

This, of course, includes WEALTH. When the Word says that God gives you WEALTH to get wealth, it means this literally. In other words, God has already blessed you with wealth which is pre-existent in the glory. All you have to do is **manifest the wealth that is already yours**. You are involved in the process of taking your *koach* from its invisible form into its visible manifestation. Of course, your wealth in glory is only invisible here because it is being stored in a realm above the speed of light. Faith is the process of stepping down the invisible wealth of the glory realm into this lower-than-light-speed dimension so that it shows up here.

This is where the other meaning of *koach* comes in. This meaning is “a small lizard”. What does that have to do with you getting wealth? Everything! Because *koach* means a small chameleon-type lizard, capable of looking like its environment! *Koach* will manifest as wealth where you are and as what you require – as yen, dollars, pounds, cars, homes, jets, Rolex watches etc. Not only this, but lizards are unclean creatures. This means that God is not dumb; He knows you have to function in the world economy which is corrupt to the core. But He also knows you need to have money. All money is dirty money until it is laundered by the blood of Jesus Christ. Joseph was given control over the economy of Egypt. Daniel had responsibility for Babylon in the fiscal realm. The Lord doesn't want us to shun money because it's unclean. He knows what the world is like. You ought not be horrified that the money in your pocket may have been in some drug dealer's possession before it got to you; you ought to be thankful that this is exactly what is supposed to happen!! The wealth of the sinner is laid up for the just, glory to God.

You see, there is no *becoming* wealthy in God's Kingdom. All His children are already wealthy. If you read further into Ephesians chapter 1, you will see that God chose us to be children. Children are inheritors. Children share the family wealth. Children don't need to earn wealth, *they are born into it!* Don't let anyone rob you of your inheritance. You don't earn what is yours by tithing or giving over-the-top offerings. You don't need to *become* what you already are. This was where Adam and Eve messed up in the Garden. They assumed they could become like God. The reality was, they already were!! Adam and Eve fell because they believed that they lacked something. Christians today the world over are held in bondage by the same false belief. There simply is NO LACK to them that fear Him. If you are a Christian, fearing YHWH is built-in to your hardwire programme so that means YOU ALREADY HAVE A NO-LIMIT, NO-LACK LIFESTYLE.

All you may require is to receive this truth and walk in it. How can you possibly be poor if you are one spirit with the Limitless One? God's people only walk in a wilderness-level lifestyle because they limit Him (Psalm 78:41). This word “limited” comes from a word which means to set parameter marks on something. The reality is that God does not limit your wealth. You can't even blame the devil if it is *your* parameter limits you are setting.

**And God is able to make all grace abound toward you, that you, always having all sufficiency in all things, may have an abundance for every good work.
2 CORINTHIANS 9:8 NKJV**

Note that walking in the level of being totally self-sufficient in every area with an ample surplus to bless every good work at abundance levels is a matter of grace i.e. FAVOUR. God is able to cause this favour to abound toward us. If He is able to, this means He is willing to. If you think otherwise, then you have to assume He is just teasing us along the lines of “ I can but... will I?” If you think this is the nature of God, you need prayer, my friend! No, He is perfectly able AND willing, Hallelujah!! Because it is a favour matter, it is in our hands to immerse ourselves in the conscious awareness of His favour. Faith is believing we are already blessed. It is believing that we are already highly-favoured! There are no limits to His favour, so there are no limits to our manifest wealth.

This brings us back to the number one secret of manifesting superabundant wealth – meditating the Word of God. The awareness of unlimited favour in an unlimited God is what is required to manifest ever-increasing wealth. This awareness is gained by constantly soaking in the Word of God

There must come a separation between those who seek to earn God's approval by obeying the voice of greedy preachers and “giving till it hurts” and other such nonsense, and those who know they are God's beloved children who manifest what is already theirs. It is like Cain and Abel; Cain sought God's favour by giving Him the offerings of His sweat and toil; Abel simply gave God something he, Abel, could never have made, ***thus acknowledging all he had was a result of God's goodness and favour.*** The Scripture records nothing of Abraham tithing until he received; until he was a billionaire. Yet teachers hungry for the cash of gullible sheep pronounce curses upon those dear Christians if they fail to tithe and who spend their lives in fear of going under. Believers who struggle from month to month are browbeaten into giving their “over-the-top” offerings so that preachers can pay their bills.

Why won't anyone tell these dear ones the truth? Well, I am doing just that!! He who has ears to hear, let him hear. **YOU ARE ALREADY RICH, DEAR BROTHER AND SISTER IN CHRIST!!** All you have to do is learn how to walk in it, to get it out of the glory realm and into its manifest form in this one. Yes, giving to good ministries can be part of the process in your money multiplying. But you don't get wealthy by your giving. You are already wealthy in Christ Jesus. If you can receive this truth, your giving will reap far more powerful results. You are already wealthy because of who you are. **And you are put on this earth to manifest who you are and what is yours in the glory.**

You are not put on this earth to prop up ministries that need money or get involved in religious activities where you seek to earn God's approval. You are here to show you are already approved!! You can take advantage of the seedtime-harvest law and multiply what is in your hand. That's fun! But that isn't the source of your wealth. You are wealthy because you are a son or daughter of the Most High God. Your wealth is

not based on your activity but on your *relationship*. It's not what you do FOR God but who you are TO Him.

You need to drench yourself in the favour of God. When you get right down to it, no more is really required of you. The key to walking in superabundant wealth is to be consciously aware of His lavish favour toward us. And that this favour extends to others. You must believe that God gives you favour with others. There are no "steps to wealth" other than this one: believe you are highly-favoured of God and other people.

When you are saturated with faith in the favour of God, you will manifest that which belongs to you in heavenly realms.
